

TECHNOLOGICAL INNOVATION AND COMMERCIAL LAW

Blockchain, bitcoin and smart contracts: no longer buzzwords, these technologies are re-shaping societies – and legal landscapes. But the impact these emerging technologies will have is difficult to predict. The first Commercial Court CPD Seminar of 2019 will serve as an introduction to these innovations in legal and financial technology (or “fintech”) and forecast some of the opportunities and challenges such advances may present to commercial practitioners and their clients.

CHAIR

The Honourable Justice Michael Sifris
Supreme Court of Victoria

PRESENTERS

Hannah Glass
King & Wood Mallesons

Adjunct Professor Mark Sneddon
Holley Nethercote, Sneddon Legal and Monash University
